

Platform Specialty Products Corporation to Present at May Investor Conferences

May 9, 2018

WEST PALM BEACH, Fla., May 09, 2018 (GLOBE NEWSWIRE) -- Platform Specialty Products Corporation (NYSE:PAH) ("Platform"), a global specialty chemicals company, announced today that members of its leadership and investor relations teams will be presenting at several investor conferences in May 2018, as further detailed below.

On Monday, May 14th, Benjamin Gliklich, Platform's Executive Vice President – Operations and Strategy, will be presenting at the Barclays Electronic Chemicals Conference in New York City at 3:15 pm (ET). He will be joined by Joe D'Ambrisi, Senior Vice President of MacDermid Enthone Electronic Solutions.

On Wednesday, May 16th, Mr. Gliklich will also be presenting at the Goldman Sachs Basic Materials Conference in New York City at 2:20 pm (ET).

Live webcasts will be made available in the Investor Relations section of Platform's website at www.platformspecialtyproducts.com, where copies of the slides related to the presentations will also be provided prior to each presentation.

A replay of each webcast will be available for three weeks after completion of the related presentation at www.platformspecialtyproducts.com.

About Platform

Platform is a global and diversified producer of high-technology specialty chemicals and a provider of technical services. The business involves the formulation of a broad range of solutions-oriented specialty chemicals, which are sold into multiple industries, including automotive, agriculture, animal health, electronics, graphic arts, and offshore oil and gas production and drilling. More information on Platform is available at www.platformspecialtyproducts.com.
